## HOW TO PLAY

Capture & contain Infrared or any of your other Untamed creatures! Lets hope they don't escape!

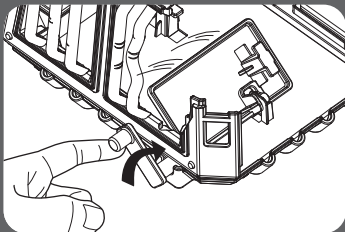

1. Open the cage door.

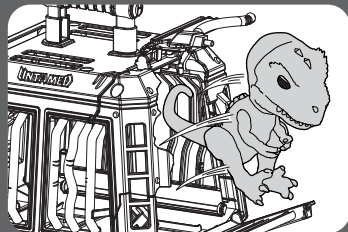

2. Place your Untamed creature on the peg.

3. Close the door.

4. Rotate the lever at your own risk.

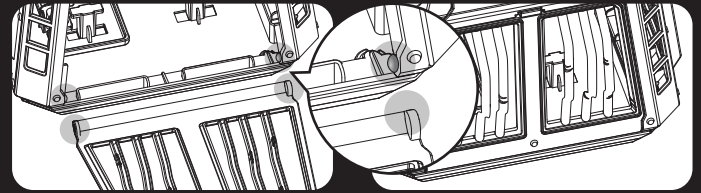

5. Dino escape!

## PARTS ASSEMBLY

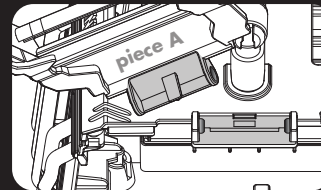

Several of the parts of the cage can come off, this is intentional to avoid breaking the product permanently. To return these parts to their correct location follow below:

### Cage Door

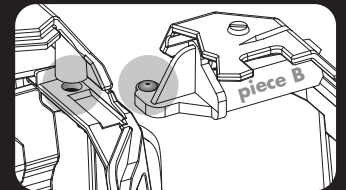

Insert the cage door as shown, make sure the pegs on the main body click into the holes on the door.

### Piece A

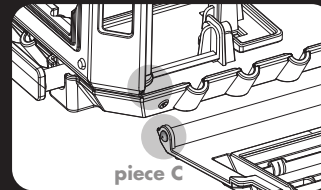

Push 'piece A' back into the slot on the main cage and listen for a click as the pegs and holes align.

### Piece B

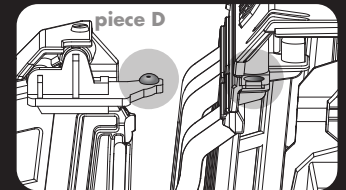

There is an arm at the top of 'piece B' with two pegs on it, squeeze these pegs back into the slot inside the main cage.

### Piece C

Line up the two pegs at the bottom on either side of 'piece C' into the corresponding holes on the main cage and click them in.

### Piece D

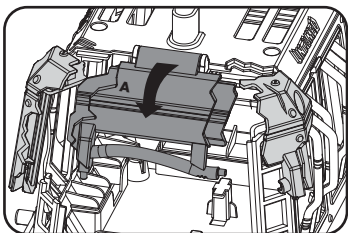

There is an arm at the top of 'piece D' with two pegs on it, squeeze these pegs back into the slot inside the main cage.

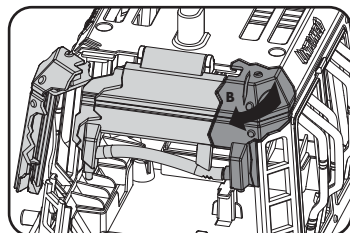

Under extreme use / abuse, cage can fully disassemble, for full instruction on reconstruction, go to <http://untamed.wowwee.com>

## REBUILDING THE BROKEN CAGE AFTER INFRARED ESCAPES

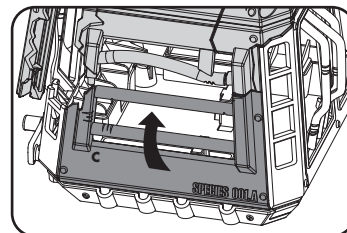

Once Infrared has broken out of his cage it can be reassembled as follows:

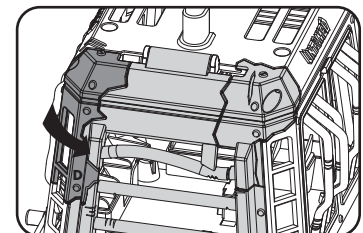

1. Fold 'part A' down.

2. Rotate and close 'part B'.

3. Fold 'part C' up and align the pins.

4. Then rotate and close 'part D'.
