

Virtual Fairies are all around us! Where will you find them?!

I found
at my desk

I found
at my BFFs house

I found
by the street light

I found
in the car

I found
at the park

I found
in the garden

I found
in the bathroom

I found
by the front door

I found
by the window

I found
on the sofa

I found
by the TV

I found
on my nightstand

I found
in my closet

I found
under my bed

I found
by my pet

I found
in the kitchen

I found
in the pantry
