# BATTERY REPLACEMENT

NOTE: Make sure the main power button is set to OFF prior to changing the batteries. Ask a parent or adult for help. To install or change your Robosapien™ Remix batteries:

1. Lay Robosapien™ Remix down so that the battery compartment faces upwards. Robosapien™ Remix requires 4 x AAA "LR03/R03" batteries (not included).
2. Use a Phillips screwdriver (not included) to remove the screws on the battery compartment door.
3. Remove any existing batteries and insert new batteries according to the diagram. Ensure that the positive and negative polarities match the illustrations inside the battery compartment.
4. Replace the battery compartment door and replace the screws using the screwdriver. Do not over-tighten.

IMPORTANT INFORMATION

IMPORTANT BATTERY INFORMATION:
- Use only fresh batteries of the required size and recommended type.
- Do not mix old and new batteries, different types of batteries [standard (Carbon-Zinc), Alkaline or rechargeable] or rechargeable batteries of different capacities.
- Remove rechargeable batteries from the toy before recharging them.
- Rechargeable batteries are only to be charged under adult supervision.
- Please respect the correct polarity, (+) and (-).
- Do not try to recharge non-rechargeable batteries.
- Do not dispose of batteries into fire.
- Replace all batteries of the same type/brand at the same time.
- The supply terminals are not to be short-circuited.
- Remove exhausted batteries from the toy.
- Batteries should be replaced by adults.
- Batteries should be recycled or disposed of as per state and local guidelines.
- Protect the environment by not disposing of this product with household waste. Check your local authority for recycling advice and facilities.

CAUTION
Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE
This equipment has been tested and found to comply with the limits for a class B digital device, pursuant to part 15 of the FCC rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.
However, there is no guarantee that interference will not occur in a particular Installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try and correct the interference by one or more of the following measures:
• Reorient or relocate the receiving antenna
• Increase the separation between the equipment and receiver
• Connect the equipment into an outlet on a circuit different from that which the receiver is connected
• Consult the dealer or experienced radio/TV technician for help
This Device complies with Part 15 of the FCC Rules.
Operation is subject to the following two conditions:
(1) This device may not cause harmful interference, and
(2) This device must accept any interference received, including interference that may cause undesired operation.

WARNING! This equipment may experience difficulty and/or memory loss when subjected to any electrostatic discharge, radio frequency interference, or sudden power surge/interruption. The user is encouraged to reset the equipment should any of these occur.

IMPORTANT INFORMATION

TAKE NOTE OF THE FOLLOWING WHEN PLAYING WITH ROBOSAPIEN™ REMIX

- Do not aim Robosapien™ Remix's arm launchers towards a person's face or eyes.
- To avoid discomfort or injury, do not place Robosapien™ Remix on or near a person's head or face.
- As a best practice, we recommend tying up any loose hair when playing with Robosapien™ Remix.
- Do not immerse Robosapien™ Remix or any of its parts in water or any other form of liquid.
- If your Robosapien™ Remix gets dirty, you can spot clean with a clean cloth; do not submerge.
- Do not drop, throw, or kick Robosapien™ Remix as this may damage mechanical functions.
- Do not leave Robosapien™ Remix unattended near edges from which it could fall when dance moves are activated.
